## Eleven Passes In Thursday Game Are Costly For Chevs

Coming from behind Thursday night, Frank's Cleaners beat out the Sopp's Chevies from Huntington Park, 4-2.

Foster pitched good ball and won his game in the sixth by clouting a home run with Johnson on base.

C. Smith, for the Chevies, allowed only one hit but lost the game on account of wildness as he walked 11 men.

Foster was nicked for eight hits, but kept them well scattered and was given fine support.

The Cleaners played Bud Adams Bootery on Tuesday night in a practice game preparatory to the opening of the summer league on July 5.

Score by innings: 0 2 0 0 0—3 Chevies 100 001 001—4

## Three Scratch Hits Off Neva Tuesday Night

Bluebirds come back with a rush to ground Aviators, 12-0

Stung by their overwhelming defeat last Friday night, when Anaheim broke their winning streak with a 19-12 score, the Torrance Bluebirds turned on Westminister Tuesday night and shut them out 12-0. Neva was back in the pink again and held the Aviators to three scratch hits, with 11 strike-outs to his credit.

Forney, Bluebird right fielder, wielded a wicked bat during the fray and came off with three singles and a triple out of five times at bat. His last effort was a pop fly-out to the Westminister lead, with only a narrow margin between them and the Oilers.

## Lomita Drops Sunday Game To Jugo Slavs

Absence of Moudy Regular Moundsman Handicaps Locals

The Lomita Merchants, handicapped by the absence of Moudy, their regular pitcher, who was out of the game with a sprained ankle, lost to the Los Angeles Jugo Slavs Sunday, 9-7.

Lomita put up a game battle but trailed from the start. The Slavs ran up a lead of 3-0 in the first inning and were never headed.

Moudy will be back in the game against the Los Angeles Nippons next Sunday and the Merchants have also signed Yam Cornelius, well known to harbor baseball fans, who will be in uniform against the Japs.

## Birds Must Win To Cinch Flag

Due to the increased patronage of the night ball games, the grandstands at the city park have had to be enlarged, in order to provide seats for the hundreds of fans who turn out to see their favorite teams perform.

Tomorrow night a record crowd is expected, when the Bluebirds tangle with the Huntington Beach Oilers. With the defeat of the Oilers Tuesday night, the status quo in effect before the spectacular defeat of the Birds last Friday night has been re-established. The Oilers are now three games behind the leaders, but should they win tomorrow night there is yet a possible chance that they may tie the Birds for first place.

After tomorrow only three games remain to be played before the end of the half. Excitement over the series is growing tense, as the two top teams sweep along to a finish. A victory over the Oilers tomorrow night clinches the pennant for the Birds, as it will give them 16 games won, two lost to date, and the Oilers could take all three of their remaining games and still finish in second place.

Should the Birds lose, they will have 15 won, three lost. Huntington Beach will have 13 won, five lost. Torrance then will need two games to capture the flag, one to tie Huntington Beach provided the latter wins all its remaining games, which will be played against Westminister, Whittier and Anaheim. Torrance meets Fullerton, Olive and Santa Ana.

## Six Errors Aid Anaheim To Win Over Bluebirds

Anaheim clipped the wings of the high-flying Bluebirds and brought them down with a crash, 19-12, Friday night, breaking their string of victories with the fatal error of six errors in the eighth inning. Last week the Birds were credited with 13 straight wins, but this was an error, as they started their winning streak with the third game of the series and laid out 12 in a row.

Louie Neva, who has heretofore had the opposing teams eating out of his hand, had a bad night, and took an awful pounding from the Anaheim boys who laid down 28 safe hits, 18 of them off Louie Neva, and 5 off Paul Neva who relieved the tired hurler in the eighth inning. Six errors on the part of the Bluebirds contributed to the major disaster.

## Davie Pitches Shut-Out Game Against Jells

Two Double Plays Enliven One-sided Contest Here Sunday

The Torrance Merchants dunked the Jell Wells Sunday for a total of 11 hits and 11 runs to 8 and 0 for the visitors. Davenport, pitching for Torrance, was in good form and was given good support all the way. Collier, who started for Jell Wells, gave way to Crandall in the second inning but the change made no difference. Both pitchers were wild, passing ten men and hitting two.

The Merchants will play the St. Louis Browns Juniors next Sunday in the fifth game of the Harbor League series. So far Torrance has won three and lost one game for a percentage of .750 in the league standing.

## Oldtime Village Built At Barstow For Celebration

Five miles out of Barstow, the citizens of that community are building a new town. A new old town, as it were, for the new village will duplicate a mining community of the days of '49 with a population of miners, cowboys and girls, dance halls, Chinese laundry, free vaudeville, barbecue and one of the best rodeos ever attempted in a small community. All this to be a part of the Barstow Fourth of July celebration, which will start July 2 and close with a big fireworks display on the night of the Fourth.

Indians will put on a war dance, Death Valley Scotty is expected to ride over from his castle in Death Valley, and Governor James Rolph may fly down from the capital to attend on July 3.

The Barstow printer who says he has been giving free publicity to a lot of community events and now would like to see a little reciprocity from other printers, doesn't exactly guarantee a good time to one and all, but he insinuates that only a wooden image could fail to have a good time and invitations to attend have been expressly withheld from wooden images. All others will be welcome.

THESE TIRES COST THE SAME ... BUT THIS ONE IS 3 TIMES SAFER!

## Now we can give you BLOW-OUT PROTECTION ..at no extra cost!

**BANG!** A blow-out. The wheel hits the road. And a terrible drag sets in. Like some sinister monster, pulling your car off the highway. Has this ever happened to you?

Investigation shows that the chances are better than even you'll have a blow-out some day—even when you least expect it.

**What Causes Blow-Outs?** Blow-outs are caused by heat inside the tire. When the speedometer reads 40, 50, 60 and 70, this heat becomes terrific. Rubber and fabric begin to separate. A blister starts to form and gets bigger and bigger. Then suddenly it happens. A blow-out! Going fast, you simply can't hold your car on the road.

To protect you from blow-outs, every new Goodrich Safety Silvertown Tire has the amazing Life-Saver Golden Ply. This new invention resists terrific heat. Fabric and rubber don't separate. Thus blisters don't form inside the tire. Blow-outs are prevented before they start.

**Safer at High Speeds** As grueling speeds on the world's fastest track, the new Goodrich

Safety Silvertown, with Life-Saver Golden Ply, lasted three times as long as first quality tires that did not have this feature. These SILVERTOWNS never blew. They were run 'til the tread was gone—but the Life-Saver Golden Ply refused to give!

**Safest Anti-Skid Tread** Scientific tests with leading makes of tires prove that Goodrich Safety Silvertowns have the most skid-resisting tread. Even on wet, slippery pavements, the squeegee drying action of this famous tread gives your car extra road-grip, reduces danger of skidding to the minimum.

Let us put this blow-out protection on your car. Goodrich Silvertowns cost no more than any other standard tire... so this blow-out protection is free!
